## BAG IT, STORE IT, WARM IT

### *Our bread will stay fresh!*

Great Harvest bread will stay fresh at least 7 - 10 days, if stored properly. Once it is cool to your wrist (about 2 hours), place in a plastic bag, press out the extra air, twist, and tie with a twist tie. Bagging the bread before it cools down impacts the texture negatively!

### *Don't put bread in the fridge.*

This will cause the honey to crystallize and dry out your bread. However, if your bread contains cheese or meat, it will need to be refrigerated within 24 hours of purchase.

### *Our bread freezes nicely!*

Double bagging helps to prevent freezer burn, but it's best to wait 24 hours after purchasing to freeze. To thaw, set bagged bread on the counter for 24 hours.

### *Want a warm slice of bread?*

Simply toast or re-heat in the oven! Wrap it in foil, and place it in the oven at 350° for 15 minutes. You should never put our bread in the microwave, it will become hard and gummy.

*Enjoy!*

BE loose and  
have FUN!

Bake *phenomenal*  
bread.
