*Bread. The way it ought to be.*

Thanksgiving is almost here, and you will want your meal to be just right! And don't forget the pie!

We are baking traditional Pumpkin Pie, Pecan Pie, and Dutch Apple Pie.

Please place your order in advance so Tom and the crew know how much to bake.

We wish you and your family a happy, healthy, and joyous Thanksgiving.

## BAG IT, STORE IT, WARM IT

Great Harvest bread will stay fresh at least 7 - 10 days, if stored properly. Once it is cool to your wrist (about 2 hours), place in a plastic bag, press out the extra air, twist, and tie with a twist tie. Bagging the bread before it cools down impacts the texture negatively!

Don't put your bread in the 'fridge. This will cause the honey to crystallize and dry out your bread. However, if your bread contains cheese or meat, it will need to be refrigerated within 24 hours of purchase.

You can freeze your bread. Double bagging helps to prevent freezer burn, but it's best to wait 24 hours after purchasing to freeze. To thaw, set bagged bread on the counter for 24 hours.

Warm your bread - simply toast or re-heat in the oven! Wrap it in foil, and place it in the oven at 350° for 15 minutes. You should never put our bread in the microwave; it will become hard and gummy.

BE loose and  
have FUN!
